Frozen Head State Natural Area and Park in Wartburg, Tennessee, would like to announce its 28th Annual Heritage Day Festival on Saturday August 16, 2006 from 11:00 a.m. until 5:00 p.m.

Several musicians will be featured throughout the day, including The Lantana Drifters, Mystery Mountain Boys, Clear Creek Ramblers, New River Boys, and Leslie Smith. We will also have several food vendors on hand serving up some of your southern favorites including BBQ, Kettle Corn, and Fresh Squeezed Lemonade

In addition to the great music and food, demonstrators from around our region will be engaging in their crafts, from hand made animal calls to old time logging mules, and spinning wool. Lots of crafters will be on hand with their various wares for sale. We will have nature activities for the kids, and hayrides throughout the day that will let you sit back and enjoy the scenery. Best of all none of this costs you a dime!
